Bad Weather

As the winter weather sets in, please be aware of our procedures for bad weather:

Icy mornings

If the playgrounds are too icy to walk on we shall bring children in through different entrances. Nursery, Reception, Year 1 and Year 2 children will all come in through the Willows entrance, and all juniors will come in through Gate 3. You will receive a text telling you if these different entrances are being used.

Snow

We shall only close if it is **ABSOLUTELY** necessary for the safety of children and staff. Wherever possible the decision to close will be taken the night before to give you as much notice as possible, although at times this may not be possible and we may have to decide in the morning. We shall text parents as soon as a decision is made. You can also use the local authority facebook page to check closures “Wolverhampton today - school closures”.
