Newsletter: June 2020

Welcome back to what would have been our last half term before the summer holidays. We hope you are all keeping well and staying safe, and have been enjoying the lovely weather! Well done to everyone for the fantastic home learning you are completing. The Coronavirus situation remains ever changing and we have been preparing to receive some children who will be returning to school over the next 2 weeks. Even though some children are attending school, we will continue to post weekly home learning tasks for children remaining at home to complete.

In this newsletter you will find details about information you will be receiving this half term, so please keep an eye out for emails and messages.

The school office will remain closed but if you need to contact school please do so by phone or email and we shall get back to you as soon as we can.

Free School Meals Vouchers

If you receive free school meals, and your child is not in school, you will continue to receive vouchers. The next set of vouchers will be issued next Monday 8th June. These will be for a 4 week period. Please keep an eye on your emails and junk email box next week for confirmation.

Year 6 Residential to London

We have had confirmation that the trip has definitely been cancelled. We were so looking forward to taking the children to London, but it just isn't safe enough to go ahead. Mrs Stack will be in touch with parents over the next few weeks about repayments.

Children Returning To School.

Over the next few weeks we will have children in Reception, Year 1 and Year 6 returning to school. Children will be taught in small pods of up to 8 children, and will remain in their pods for their time in school. If your child is in one of these 3 year groups, and you wish them to return to school in the future, you will need to ring school and book them a place

We cannot admit children who have not been booked in by the date below, as we need to organise staff, classrooms and resources in line with DFE regulations.

	Last day to book a place	Start date
Reception	Friday 12 th June	Monday 22 nd June
Year 1	Friday 12 th June	Monday 22 nd June
Year 6	Wednesday 3 rd June	Monday 15 th June

Year 6 Remember that the last day Year 6 children can attend Stowlawn is Friday 19th June. They will then have a week of home learning before they start secondary school transfer from Monday 29th June.

(All of these arrangements **MAY CHANGE** of course, depending on any future government announcements, but we will keep you updated of any changes if they happen)

Newsletter: June 2020

Half Term Challenges and Sports Week

We really enjoyed seeing the half term challenges that children completed last week. Not only the learning but the chores too - we bet your houses are nice and clean! We shall be adding a presentation of all the work you did onto our website very soon.

Week beginning 16th June should have been our PSHE and Sports week - including sports day. During that week we will be setting some more challenges. These will include "Beat the Teacher" so watch out for these from June 16th!

September 2020

We know the children will be thinking about new classes and we are hoping that all children will return to school in September.

In July we shall be letting you know which class they will be in, and who their teacher will be.

End of Year Reports

Teachers have been busy writing the children's end of year reports. These will be issued in July, and we will let you know when they are available.

Children New to School

If your child is due to start in Nursery or Reception in September, please look out for a pack through the post. These will be issued in the next few weeks, and will contain information about the school, and dates for September.
