

The Lord's Prayer

Our father who art in heaven,
Hallowed be thy name.
Thy kingdom come,
Thy will be done,
On earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive those who trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom, the power
And the glory.
For ever and ever.
Amen.

Many churches and cathedrals offer the opportunity to light a candle to symbolise a prayer.

Worship at Home

Many Christians say prayers at home too. They might be prayers asking for help, or saying thank you for something.

At home Christians may pray on their own, with their family or even with groups of other Christians.

Some Christians have their church services in peoples homes. Sometimes this is by choice, but Christians in some parts of the world have to meet secretly in homes because Christianity is banned in their country.

Why do people go to church?

Christian churches hold services of worship every Sunday. There are usually other events happening at churches throughout the week such as bible studies, social events and prayer nights.

Christians go to church to praise God together as a group, and to build friendships with other Christians (called fellowship) and learn from the Bible together.

C – Confession: to admit things they have done wrong to God and ask for forgiveness
