Newsletter: February 2022

This half term seems to have passed very quickly but it was lovely driving to work early this morning and actually seeing some sun popping through the clouds and it becoming lighter – roll on the spring sunshine! In terms of “getting back to normal” after half term, we have yet to receive any further guidance from the Government or the the LA, and we probably won’t until after half term. However we are planning for more mixing of classes and also some parent PE workshops which will happen outside (look out for messages about these in the next few weeks). A reminder that children break up today for the half term holiday, and we welcome everyone back to school on Monday 28th February. As ever, thank you to you for all your support for your children’s learning, and we wish you a happy and safe half term holiday.

Stowlawn Safety Day

We had a fantastic day today at our Stowlawn Safe Day. Children have learnt about being First Aiders, Medical Mavericks, personal hygiene, PANTS and safe touches, and looked at the safe work of the Police. We have also been visited by School Governors who have been questioned by children about how they help the school to stay safe, and also enjoyed some of the activities with the children!

Telling The Office About Change of Collection.

If you need to inform the office that a different person is collecting your children then please phone our school office and let them know by **2pm**. This is so that we can ensure messages get to the class teachers in time for home time.
