Newsletter: November 2022

We have been back at school barely a few weeks after half term and we have already packed so much in! It was lovely to see so many of you coming into school for our parent learning sessions – these took the shape of workshops in the lower years and then sharing books with your children in Year 1 to 6. Of course, if you wish to speak to your child's teacher about any aspect of their learning you do not have to wait for parents meeting or learning sessions, just speak to them at home time or contact the office.

We have also enhanced our curriculum learning by supporting the charity "Children In Need" where we raised an amazing £390.60 – thank you for your support. We are also having great fun following the football world cup. Of course the children love the chance to get together to watch England play, but we also use the opportunity to learn about the wider world of sport and competitive competition, as well as different countries and their lifestyles and cultures.

As we race towards the end of term, there are many events and activities taking place. Individual letters will be sent out about many of these but please see that calendar of events at the end of the letter. We hope to welcome many of you to these events over the next few weeks.

Class Dojo

Thank you for all your positive feedback about the Class Dojo trial. We have decided to implement it permanently in January and will soon be sending out a full permissions letter. Please ensure you return this if you want to keep receiving our class and school updates, otherwise you will no longer be able to use it.

Bilston Christmas Lights Switch On

Last Friday, we were the only school to be invited to sing and parade with Father Christmas at the Bilston Christmas lights switch on! Well done to our performance club, and thank you to all our parents who brought the children and supported us at the event. I understand that we already have a space booked at next years event!

Sports competitions

Well done to both our football team who have been playing matches against other schools, and to the children who took part in a mini football tournament at Aldersley earlier this week. We look forward to seeing more teams and competitors out and about representing school throughout the year.
