

This term we are going to learn and develop the skill of collage. We will learn how to fold paper in different ways to add texture to our art work.

Collage

Collaging is sticking small pieces of paper or different materials such as ribbon or fabric, onto paper.

Paper folds

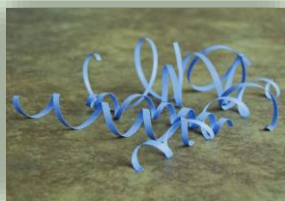

We can fold and adapt paper in different ways to add texture to our collage.

Concertina
Fold the piece of paper opposite ways to create a folded effect.

Crumple
Scrunch the paper into a ball then unfold it to reveal the crumpled texture.

Curl
Wrap the strip of paper around the length of a pencil until it becomes curled.

Coil
Wrap the strip of paper around one part of a pencil.

Our final piece of art work will be a Great Fire of London collage.
