

I will learn-

- Which tools can be used for drawing.
- How to sketch, using different equipment.
- All about scale and proportion.
- How to add detail to my drawings.
- How to add simple perspective.

What could we use to draw?

Drawing involves observing something around us, or imagining how something looks in our minds and representing it on paper. **We can use plenty of tools to draw.**

Some include:

- Pencil
- Felt tip pens
- Charcoal
- Chalk
- Oil pastel

Key Vocabulary & Definitions

Idea	A thought
observe	Looking at something as we draw it.
focus	A theme of our drawing. What is the main part?
Starting point	Choosing a part to begin our drawing with.
design	The process of thinking about different ideas and choosing a final one.
Work of art	A piece of art work created by an individual.

Key Skills we will work on!

- Use a variety of different tools and equipment including pencils, crayons, pastels, felt tips, charcoal, chalk.
- Control the marks that I make for purpose and task.
- Use a sketchbook to record my ideas and create drawings.
- Draw different lines from observations of objects.
- Observe and draw shapes and patterns from my surroundings.
- Investigate tone by drawing light/dark lines, patterns and shapes.
- Use the work of Artists to help me.

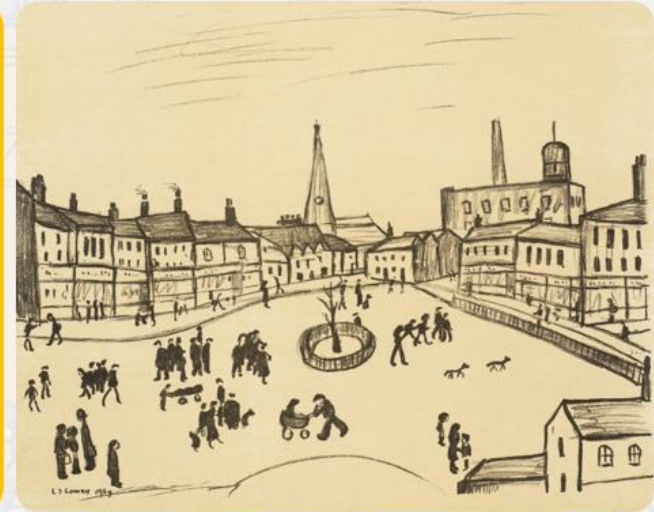

Who is L.S Lowry?

- He is one of the most famous artists of the 20th Century.
- He is famous for his landscape artwork using factories, buildings and stick people.
- He was born in Lancashire in 1887.
- He used pencil, charcoal and pen to create his designs.
- He liked to observe his surroundings and draw what was around him.

LS Lowry made many works of art. Lots of his works were drawings.
He drew many pictures in **pencil, charcoal and pen.**

Industrial Landscape, 1955
by LS Lowry

Lowry painted lots of **industrial landscapes**, as this was what he saw around him as he went about his daily life.

An **industrial landscape** painting is a painting of a place with lots of factories where people work to make things.

LS Lowry himself!
