Phonics & pronunciation we will see:

Recommended phonics focus: **É E È EAU EUX**

- **E** sound in **le** & **de**
- **EAU** sound in **beau**
- **Silent letters.** The 'd' is not pronounced in **chaud**, 's' is not pronounced in **dans** & **mauvais** and the 't' is not pronounced in **fait** & **vent**. These letters are often silent at the ends of words.
- **Elision.** As seen in **l'est**, the 'e' has been dropped in **le** as the next word starts with a vowel. This is to help pronunciation in French but can make it hard to know where one word starts and finishes.
