### Key Vocabulary

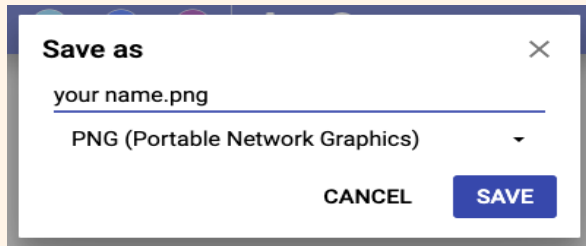

<b>Technology</b>	<b>Technology</b> is anything made by people to help us
<b>Mouse</b>	The <b>mouse</b> lets you select and move objects. On a laptop, this is called a <b>trackpad</b> .
<b>Pointer</b>	Used to select programs and functions on screen
<b>Keyboard</b>	Used for writing on a computer
<b>Edit</b>	to change or improve written text
<b>Computer</b>	A device th
<b>Laptop</b>	A small computer that you can move easily.
<b>Desktop</b>	A bigger computer that needs to stay in place.
<b>Tablet</b>	A very small computer with a touch screen instead of a keyboard and mouse

## Using a Mouse Double click to begin a program

**Click the save icon to keep your work.  
Choose a name for your file.**

## Using a Keyboard

Return or enter starts a new line.

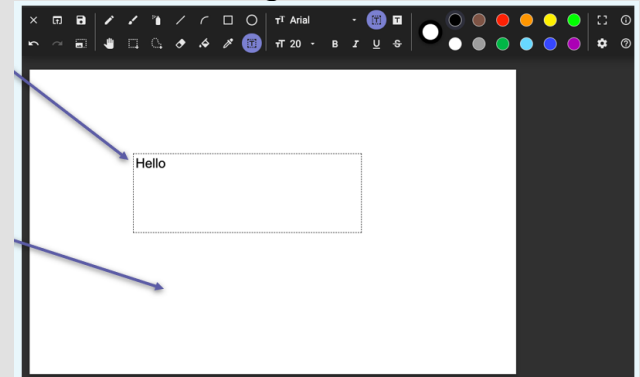

Use the space bar to make finger spaces.

## Using a textbox

A textbox can be used to show where you want to write.

Click and drag in the paint area to draw a textbox. You can now write in here with the keyboard.

Click anywhere outside of the textbox to finish

Apps and Programs I can use.

Purple Mash Paintz <https://paintz.app/>
