Newsletter: May 2022

We are well into the Summer term – despite the odd Bank Holiday and Voting Day it really is a short half term. Children are enjoying their new terms learning and are well settled in school. Next week sees our Year 6 children taking their SATs external tests. Like all children in school they have worked so hard and made great progress in their learning, but it is important to remember that these external tests are not the “be all and end all” of their time at Primary School.

We are especially proud of them for the way they have matured this year, and how they show our Stowlawn Six attributes on a daily basis, and it is this – not just academic achievement – that will show through as they get ready to move onto Secondary School.

So well done Year 6 – we know you will do your best and you will smash it!

Jubilee Week

In our last week of half term (beginning 23rd May) we will be learning about British Values during celebrations for The Queen’s Platinum Jubilee . Children will be learning about our British Royal Family but also looking at what being British means to them - linked to the work done over the holidays (see below). Each class will also be learning about a famous British person. Our week will end with a special celebration day on Thursday 26th May. Children will be able to dress up in red, white and blue, or as Kings and Queens. We will also have a range of outdoor games to play, and will be holding a whole school picnic (as we will have lovely sunny weather on this day!) and hopefully a visit from an ice cream van. So Nursery children can join in, we are running our Nursery session on this day from 11.45am until 2.45pm, instead of the usual morning time. We will send out further details about this closer to the time, but we are already looking forward to our whole school celebration!

What being British means.....

Well done to all the children who completed work over the holiday telling us “What being British means to me!”. Children will be sharing this work as part of our Jubilee celebrations but you can find out more about it on the Personal Development pages of our school website.

Admissions September 2022

Many of you will have received confirmation that your child has been accepted for a place in our Reception classes in September – what great news! We are planning parents meetings and “Play and Stay” sessions for the end of June/early July this term and will let you know particular times and dates after May half term.

If you have put your child down for a place in our Nursery for September, we will also be letting you know about places and dates for visits after half term.

SATs week

As you know, next week is Year 6 SATs week. **Please make sure all Year 6 children are in school at 8.30am.** We shall be using the Year 6 classrooms so if your child is in another year group and you think they will be late into school please ring and let us know, as children will have to be let through school gates and not come through the main entrance as they normally do if they are late.

Dates For Your Diary
