

Vocabulary I should already know...

Key Vocabulary	Definition
Orchestra	A large instrumental ensemble typical of classical music.
Appraise	Listen to and critically state your opinion on a piece of music or song, considering aspects of the music.
Pulse	The regular heartbeat of a piece of music; its steady beat.

Vocabulary I will learn...

Key Vocabulary	Definition
Acapella	Without accompaniment from instruments, i.e voices only.
Harmony	Two or more notes played or sung together.
Arrangements	How voices and instruments are used in a song.

Motown was a 1960s music label from Detroit USA. Characterised by a rhythm section playing with a funky bassline and tambourine and brass instruments to accompany the music.

Some songs I will listen to and appraise

Bill Withers- Lean on Me	Beethoven- Ode to Joy
MaryMary- Shackles	
Elvis Presley- Amazing Grace	

Listen & Appraise Questions

- Does the pitch change throughout the song?
- Can you hear any instruments?
- What is the tempo of the music like? Does it stay the same?
