

This term we are going to learn and develop the skill of printing, using paint. We will use different soft and hard objects to explore printing and create our own stencils to print with.

We can print using different materials such as leaves, fruit and even toys!

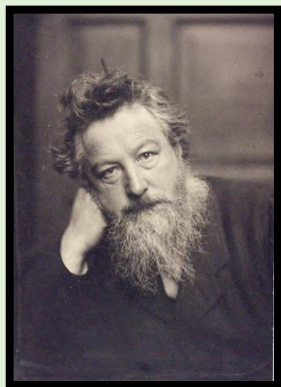

How to draw leaves and flowers

William Morris

We are going to learn about the artist **William Morris**. He used the technique of **printing** to create his own wallpaper. William Morris used lots of flowers, leaves and birds in his designs.
